COOKIE NOTICE

Last updated: 21 September 2026

This Cookie Notice explains how https://sceneforge3d.com/ ("Website", "we", or "us") uses cookies and similar technologies. It covers what cookies are, what types we use, why we use them, how long they stay on your device, and how you can control your preferences. If you have questions, our contact details are at the end of this notice.

By using our Website, you agree to the use of cookies as described here. If you do not agree, please adjust your cookie settings or stop using our Website.

This Cookie Notice may be revised from time to time to reflect changes in how we use cookies or to meet legal obligations. Any significant updates will be clearly announced on our Website, so please check back periodically to stay informed.

If you have questions or concerns about our use of cookies or this Cookie Notice, please contact us at: support@sceneforge3d.com.

By continuing to use our Website, you agree to the practices described in this Cookie Notice.

1. Cookies

Cookies are small text files placed on your device (computer, phone, or tablet) when you visit a Website. They help the Website remember your actions and preferences (such as login, language, and other settings) and improve your experience.

Cookies can:

- Be first-party cookies, set by our Website, or third-party cookies, set by other services we use (like analytics or advertising partners);
- Be session cookies, deleted when you close your browser;
- Or persistent cookies, which remain on your device for a set time.

2. Types of Cookies We Use

We use both essential and optional cookies on this Website. Here's an overview:

a) Essential Cookies:

- These cookies are strictly necessary for the Website to work. They enable core features like security, log-ins, and page navigation.
- Because these are required for the Website to operate, we do not ask for your consent to place them.
- Without these cookies, some parts of the Website will not function properly.

b) Optional Cookies: We only use these with your consent, unless otherwise permitted by law. These help us improve your experience but are not strictly necessary.

- Performance & Functional Cookies: Remember your preferences, such as language and login details, to make the Website more convenient.

- Analytics Cookies: Collect information about how users interact with the Website (pages visited, time spent, links clicked). We use this anonymized data to understand user behavior and improve our Website.
- Advertising/Targeting Cookies: These cookies are used to provide more relevant advertisements and content based on your interests, as well as to measure and improve the effectiveness of marketing campaigns.

3. Cookie Duration

We aim to handle cookie storage responsibly, both to protect your privacy and to make your time on our Website better. Set out below are the categories of cookies we use, along with how long each one is retained:

(a) Session Cookies

Session cookies are temporary cookies that are deleted automatically when you close your browser. These cookies are used to maintain your session and ensure seamless navigation during your visit. They help us remember your actions from page to page, allowing you to navigate our website efficiently and securely without having to log in repeatedly.

(b) Persistent Cookies

Persistent cookies remain on your device for a specified period, even after you close your browser. These cookies remember your preferences and login details across multiple visits, making your experience more convenient and personalized. We typically limit the storage duration of these cookies to around 24 months. This means that after this period, the cookies will automatically expire and be deleted from your device.

By using both session and persistent cookies, we aim to provide you with a smooth and personalized browsing experience while also respecting your privacy and data security.

If you have any concerns or need further information about our cookie storage practices, please feel free to contact us.

4. Cookie Preferences & Consent Management

- We display a cookie banner when you first visit our Website. This gives you clear choices to allow or refuse optional cookies, and links you to this full Cookie Notice.
- You can change your cookie preferences at any time by using our cookie consent tool or by adjusting your browser settings.
- If you refuse optional cookies, we will not use them; only essential cookies will remain active.

Managing Cookies Through Your Browser: Most browsers let you view, delete, or block cookies (all or some). Instructions for popular browsers:

- Safari
- Safari Mobile

- Google Chrome
- Internet Explorer
- Firefox
- Opera

If you prefer not to be tracked by Google Analytics across all websites, you can visit: http://tools.google.com/dlpage/gaoptout.

5. Personal Data and Cookies

Cookies may collect personal data, such as your IP address and browsing habits. We treat this data with strict confidentiality and comply with relevant data protection laws. For more information on how we process and protect your personal data, please refer to our Privacy Notice available on our website.
